It’s the holiday season and we know how hard it can be to find the right thing for your friends and family. This year, go green and give the gift of experience by purchasing an SAF gift certificate for any amount or program. You can also purchase a membership which includes a free tour or program. SAF’s tours, talks and programs are tailored for every age and open to all interest levels. We also have our guidebook, Seattle Architecture: A Walking Guide to Downtown, available.

Looking for a gift with more meaning? Make your gift last all year with a monthly donation in the name of a friend or loved one. Your gift will enable SAF to inspire and connect people of all ages and backgrounds to Seattle’s unique architecture and history.

Whether you’re looking for that perfect something for a friend, family member or child, SAF has you covered.

You can set up a monthly gift here or give us a call at 206.667.9184 for assistance. Gift certificates can be procured over the phone, in person or through email.

Free Workshop!
Ziplines and Hoverboards! Designing Transportation
Ages 6-11
December 10, 10:00 AM–12:00 PM
At the Center for Architecture and Design

This workshop is about futuristic cars that hover and drive themselves! Students will plan and design future-thinking cars and public transportation, as well as design new roads and highways for these new modes of transportation!
Robot Cars! Transportation, Land Use and Urban Design
Dec 17, 11:00 AM-3:00 PM
Ages 12-17
At the Schemata Workshop
1720 12th ave
Seattle, WA 98122

With hovercars and self-driving cars, we have been dreaming of how to make our transportation machines more technologically futuristic. How will these new cars change infrastructure such as roads and highways? In this program, students will design their own futuristic cars, as well as learn about transportation infrastructure systems. Students will discuss these issues with practicing designers, and represent their own ideas through sketches, three-dimensional models, and presentations.

Fee waivers are available for all youth programs

Last of the Season! Greatest Hits Tour
Toppers and Heart Stoppers
Dec 10, 2016

This is the last Greatest Hits’ Tour of 2016. If you haven't had a chance to catch one this year make sure to join now!

It’s a new riff on the city as we focus on the construction, context, and culture, which shaped our skyline, from golden oldies like Kirtland Cutter’s Rainier Club to popular favorites like the Rem Koolhaas’ asymmetric, cantilevered Central Library. You’ll develop an appreciation for the social forces, which shaped Seattle and our built environment. Featured stops include the Fifth & Madison Condominium/901 Fifth Avenue Plaza and Seattle City Hall.
