Welcome to 2018! This year we are looking forward to inspiring more young architects with our youth and family programs, discussing our changing city with experts through our Design in Depth series and launching some new tours later this year. We truly appreciate all of the support we received from our volunteers and donors in 2017 and we can't wait to partner with you again this year!

We're launching our 2018 Design in Depth series with a talk on Housing!
January 16, 6:30-8:00 PM
Reception starts a 5:30 PM
At the Center for Architecture and Design

With the rapid influx of new residents the search for housing that meets our needs for safety, security and affordability is an increasing challenge. Our esteemed panelists will explore how the quest for maximum efficiency is driving the architecture of the city and provide some
