Next **Tuesday, May 5**, we invite you to participate as a partner in **Shape Seattle**, with GiveBIG, the Seattle Foundation’s one-day, online event, in which all donations will be partially matched by the Seattle Foundation. Read on to learn more about upcoming events and how the ways your gift, of any size, will directly impact all we do!

**Design In Depth: Art in Public Lecture**

**May 14, Foster/White Gallery, 6:30 - 8pm**

Whether it’s on the walls of our alleys, an unexpected street corner or along city rooftops, encountering art in our streets causes us to see our surroundings in new ways without ever having to set foot in a gallery. Government ordained, developer sanctioned or on the fly and in the middle of night, art as it appears in public is a powerful purveyor of dialogue. Various art and design professionals speak to the presence of public art in Seattle and the means from which Seattle’s story can be traced.

Doors Open at 6 pm - we invite you to come early to connect with community partners and learn more about public art in our region!

This year’s exhibit theme, FORM, is a word that can be used as either a noun or a verb, both a thing and an action. FORM can be what exists in the world now and what is taking shape. When paired with a range of prefixes and suffixes, FORM takes on new and unique meanings (reFORM, inFORM, uniFORM). What does your practice add to the concept of FORM?

Our Call for Entries is available now! You can submit entries through our Online Form. The deadline to submit entries is Friday, June 5th. Questions? Email Aletheia Wittman.

Tour of the Month: Pioneer Square

May 1, Occidental Mall, 10-12pm

The history of Seattle reads like a funky fairy tale on the brick facades of these hallowed blocks. Stand on the spot where our city fathers waded ashore to found their metropolis. Wander back and forth across the line that once separated polite society from one of America’s most notorious vice districts. Through a gold rush, a Great Fire, and too many rebirths to count, Pioneer Square has remained at the heart of Seattle’s identity. And now, with a new crop of chefs, entrepreneurs, developers, and community groups all staking their claims, Pioneer Square is preparing to absorb yet another layer of Seattle’s story.
