Join us this November for a cornucopia of events. The end of the 20th Annual Model Exhibit: Resurgence is just around the corner so be sure to come by the Center to enjoy the models. Catch a fall sunset at the Old Stove Design Soirée on November 17th or join one of our walking tours as we wrap up the season. No matter what you choose to do we hope to see you at an SAF event this month.

Upcoming Design Soirée Event: Old Stove Makeover Mixer at the MarketFront

November 17, 6:00 – 8:00 PM
Hosted by Old Stove Brewing Co., Adatto Construction
1901 Western Ave, STE A
Seattle, WA 98101

Old Stove, one of Seattle’s newest breweries, is the anchor tenant of the new MarketFront addition at Pike Place Market. At this event you'll get a sneak peek of the Old Stove Makeover project, which will feature sustainability and community-focused design elements.

20th Annual Model Exhibit: Resurgence

At the Center for Architecture and Design
Exhibit runs through November 18

In a time of intense cultural and social change, Resurgence challenges designers to explore the ways in which their work intersects with the growth of grassroots and community movements, the changing conceptions of what cities can be and do, and renewed interest in
peek of their unique brewing space which is only partially open to the public while final changes are being added. Architect, Greg Bjarko of Bjarko | Serra Architects and members of Adatto Construction, the general contractor responsible for the construction of the taproom, brewery and restaurant will share insights about Old Stove’s shiny new digs. You can enjoy panoramic views of Elliot Bay and the Olympic mountains through Old Stove’s 80 ft windows while you sip a frothy brew.

Join us for our last Soirée of the series! All funds raised support SAF!

Tickets: Members $30 | General $35

**Resurgence Roundtable: Green Buildings**

**November 14, 6:00 - 8:00 PM**

**At the Center for Architecture and Design**

Living, LEED, Petal, Passive, Green – the world of environmentally conscious architecture produces its fair share of jargon and professional designations, a number of which are found in Model Exhibit projects. In this panel we’ll explore a few of the projects being built in Seattle right now, and design teams will discuss the differences between these standards, the challenges in meeting them, and why it’s important to the environmental health of our city and planet.

**Projects Featured:**

**Bridge Way Living Building Project** – Scot Carr, PUBLIC47 Architects & Brett Phillips, Unico Properties

**Pike Passive** – Emily Doe, Project Architect, Weber Thompson

**Watershed** – Myer Harrell, Sustainability Director, Weber Thompson

Youth Program
Branching Out: Treehouses
November 11, 11:00 - 3:00

Why cut down trees to build a house when you can just build IN the tree? In this workshop students will explore how to build a safe, beautiful home in the boughs that also respects its host. Will also explore creative ways to protect Seattle’s own tree canopy.

Cost per student $25

We offer need-based scholarships for all SAF Youth Programs. For details about scholarships email Program Director Kathryn Higgins at info@seattlearchitecture.org or call 206-667-9184.
