**Registration Now Open for 2016 Youth Programs!**

**2016 Teen Design**

At SAF Teen Design workshops, youth (ages 11-16) are introduced to the connections between design and social issues. Workshops kick-off with a community designer introducing an issue and then youth are challenged to use their creativity to come up with a responsive design. Supported by SAF volunteers, students work to plan, build and present a physical or digital study model that represents how their design could promote...
physical or digital study model that represents how their design could promote a better city for all. Workshops take place on the first Saturday of each month, from 11am-3pm. Lunch is included. Scholarships are available upon request.

Tickets: $125 6-session pass (available for a limited time) | $25 per individual session | $20 (with SAF Family Membership)

Youth Programs Back to School Training & Happy Hour
October 1, 6 - 7:30pm, SAF Office and Gallery (1333 5th Ave)
We are incredibly grateful to our volunteers who contribute their time and energy to help make SAF a wonderful community resource. Join us for a special back to school event.

2016 Family Design Workshops
At Saturday Family Events, children (ages 6-11) and their families explore architecture through hands-on activities that highlight a new design topic every month! Arrive at 10am for an introduction to innovative local and global architectural projects. Then, children take the lead in using the design process to create their own design proposal for a group presentation. Volunteer architects and designers assist children and families along the way.

FREE to attend! Space is limited. Advance registration is strongly encouraged.

SAF Tour of the Month: Art Deco
October 9, Rainier Square, 10am - 12pm

Take a trip back in time to the Roaring 20s. Following the horrors of World War I, architects began fusing modern structural advances with beautiful, organic designs to create the style known as Art Deco. On this tour, we'll go back in time to visit lush lobbies and ornate commercial buildings to learn how technology, archeology and French design influences some of Seattle's most impressive buildings. You'll discover diamonds and gold. And you'll see how Northwest imagery was incorporated into the Deco elegance and innovation of these architectural gems. Featured stops Exchange Building, the Seattle Tower and Washington Athletic Club.
