Visit our new exhibit, *Wild Tensions: How Design Impacts the Outdoor Experience* through August 18!

July is probably the best months to enjoy a tour with SAF. The great weather combined with our packed schedule mean that there's no excuse not to get outside to explore the city! This month we have Greatest Hits tours running every week, sometimes more than once. Our tour guides have been cooking up the Ballard's Maritime Metamorphosis Tour thanks to popular demand, for months and you can attend the inaugural outing on the 28th. We hope to see you soon!
