— SOIRÉE

presented by
Seattle Architecture Foundation

May 3 **Beer & Boulders at Momentum**
Hosted by W.G. Clark Construction
Converting this space to a multi-use climbing gym posed some unusual challenges. W. G. Clark was able to completely gut and retrofit the building as well as add a 60' clerestory ceiling to accommodate the climbing structures all during "adverse weather conditions".

Members \$35
General \$45

At this event you'll get a behind the scenes look at the gym and an opportunity to try your hand at bouldering before enjoying a tasty brew and learning about all that goes into building such a unique space.

May 7 **Queen Anne Modern**
Hosted by Graham Baba Architects and Heidi Beck

Join the architect and host to hear about the inspiration and process behind the design of this unique Graham Baba home. The Beck residence is a modern and airy example of contemporary Pacific Northwest Style inspired by the surrounding landscape and views.

June 20 **Summertime Happy Hour With Creoworks & Bounty Kitchen**
Hosted by Creoworks with Bounty Kitchen and Graham Baba Architects

Members \$25
General \$35

Join us for an evening of delicious food, drinks, and discussion of restaurant design & fabrication in this inviting, modern, healthy, neighborhood hub.

June 27 **Cocktails on the Canal**
Hosted by SABArchitects and Westlake Consulting Group

Members \$30
General \$40

SABArchitects and Westlake Consulting Group are pleased to invite you to our scenic Fremont Canal offices for a discussion on the intricacies of reinventing historic spaces while championing client needs.

July 11 **Craft and the art of Collaboration**
Hosted by Collaborative Co.

Members \$25
General \$35

Celebrate Seattle's rich history of craftsmanship in the former workspace of the influential Gulassa & Company where David Gulassa forged a unique design aesthetic by adhering to authentic materials, uncluttered by ornamentation. Collaborative Co, the new inhabitants of this space located along the historic Fremont Cut, invite you to explore the history and legacy of Gulassa & Company and continue the story that those passionate artisans began.

Jul 20 **Exclusive Tour of Harlan Thomas Residence**
Hosted by EK Group, Edward Krigsman

Members \$25
General \$35

Explore the personal residence of Harlan Thomas, one of Seattle's most prolific early architects. Whether you're a long-time mossback or a casual Seattle tourist the chances are you're familiar with the work of Thomas (1870 – 1953). Thomas is known for the iconic Pike Place Corner Market Building, as well as the Sorrento and Chelsea hotels and Harborview Hospital.
